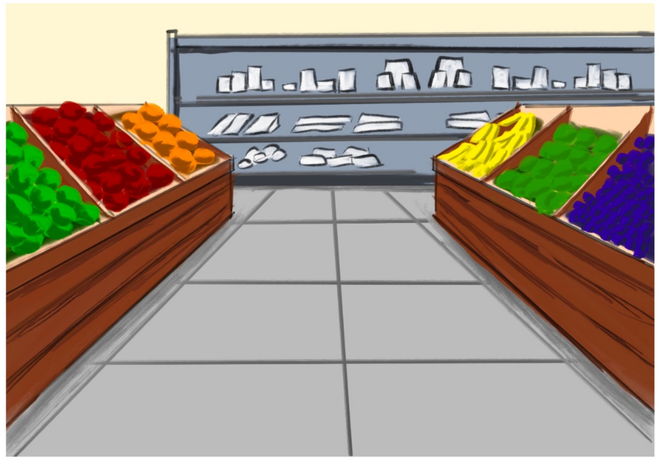
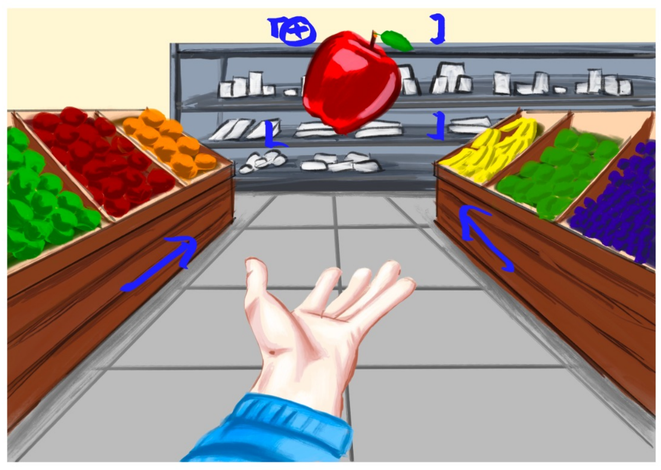
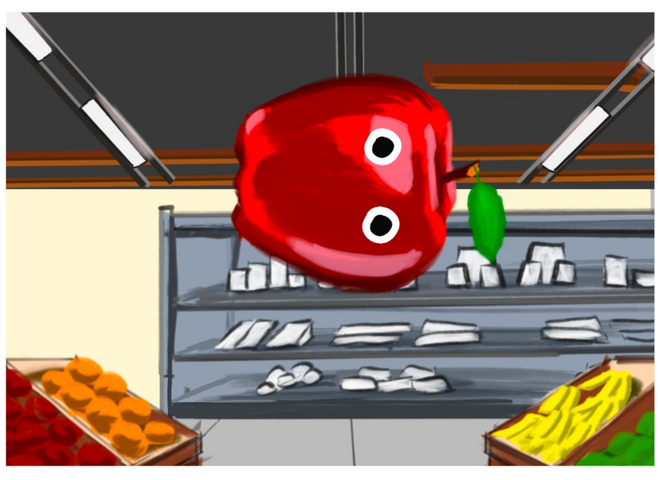
Dots to Depth 1st Script Storyboards - ETC Project Spring 2026



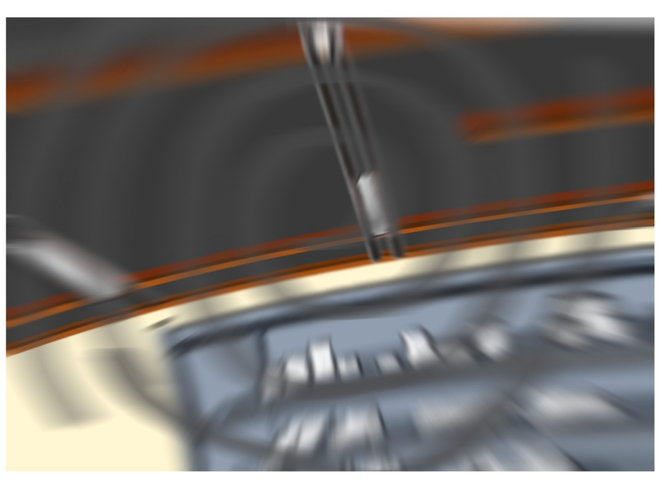
1. The scene opens in the produce aisle of a supermarket.



2. A man walks by the produce aisle and picks up an apple. He throws it upward.



3. The camera zooms into the apple, and the apple open its eyes.

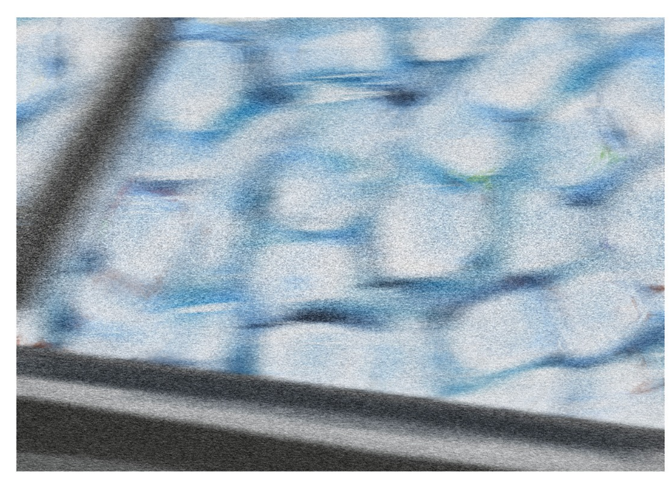


4. The camera view changes to the view of the apple. The environment is spinning.

5. The environment changes to the seafood aisle

6. The spinning stops to reveal fish and ice.

7. Camera zooms to the ice section.



8. The scene stars to get fuzzy to transition into the next scene.
